The Illinois Department of Public Health advises that eating raw or undercooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under the age of 4, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness. These items can be ordered raw or undercooked or may contain raw or undercooked ingredients.

We reserve the right to add a service charge to any guest check including but not limited to parties of 5 or more persons or bills over \$100.
